One of our spa professionals will help you plan the perfect spa experience and the optimum sequence of your treatments, based on your objectives.

What if I have special health conditions?

Please notify a spa professional before scheduling your appointment and they will suggest a plan that's right for you.

May I request a male or female therapist?

Yes. Although we cannot guarantee the availability of a particular therapist, we will make every effort to accommodate your wishes. All of our therapists are trained to respect and protect your privacy at all times.

What do I wear during my treatment?

Wear whatever is most comfortable for you. Our staff may provide you with disposable undergarments for the body treatments.

What about my jewelry and valuables?

Please leave all valuables in your room's safety deposit box or the secured lockers in the changing rooms. ONE Spa is not responsible for lost or forgotten valuables.

What if I'm late for my appointment?

Arriving late may limit the time for your treatment. Depending on the length of your service, a late arrival may be classified as a 'no-show.'

How early should I check in for my scheduled appointment?

We recommend check-in at least 10 minutes prior to your spa appointment. This will allow you enough time to register, get

your locker assignment, change into your robe and relax for a few minutes before your spa treatment begins.

If you have booked the ONE Aqua experience, please arrive 60 minutes prior to your first treatment if you want to enjoy our luxurious hydrotherapy facilities with whirlpools, cold plunge, sauna, steam room and more.

What precautions do I need to know?

We recommend eating and drinking in moderation and avoiding alcoholic beverages prior to your spa service, exercise classes, whirlpools and heat treatments. Do not shave your legs prior to a body scrub treatment. Severe sunburn may prevent you from enjoying a spa treatment. Be conscious and use sun protection.
