ALL INCLUSIVE DOMESTIC BEERS

TECATE LIGHT 4.0% ALC.

A light lager beer with balanced and mild flavor that offers the consumer a unique taste thanks to its high quality ingredients. It was the first light beer in Mexico.

BOHEMIA OBSCURA 4.9% ALC.

A Vienna type beer which provides the perfect balance of caramel and toasted malts that give off walnut and coffee notes. It offers a European profile.

XX LAGER AMBAR 4.7% ALC.

A beer with soft fruity and a hint of citrus aroma. This is a typical Vienna style lager with little foam and tiny bubbles. Its flavor is balanced with sweet notes of malt, roasted dried fruits and caramel. The finish is long, slightly bitter and very refreshing.

XX LAGER 4.3% ALC.

A beer with a mild malt flavor and light citrus aroma. It offers a pleasant and refreshing experience to the palate to those who taste it. A pale lager type beverage which produces lesser white foam. The flavor is sweet with fruity and caramel notes.

SOL 4.5% ALC.

A clear beer with exquisite aroma, slightly bitter but refreshing. The mild flavor and meaning of its name has allowed it to get into the Asian, the Middle East and South American markets. Currently exported to over 50 countries.

INDIO 4.5% ALC.

A dark beer of unique taste which offers a very special combination of characteristics. Its strength and vigor is typical in beers from the cold weather countries, like Europeans, but with the fresh and transparency of customary and essential warm countries like ours.

IMPORTED BEERS

COORS LIGHT 4.15% ALC.

The only cold processed and packaged beer.

HEINEKEN 5.0% ALC.

Dutch lager beer, born in a small family brewery in Amsterdam in 1874. Made using only natural ingredients: water, hops and malt. Extraordinary as appetizer or to accompany any kind of dish, although it is particularly suitable for dishes with a spicy touch.
